

Aloha everyone

I, [REDACTED], owner of [REDACTED] We opened my restaurant in 2012 and starting a new restaurant on limited capital it was a challenge. I ended up getting 4 quick loans from 4 different companies that deducted daily which amounted to 1300.00 a day and it was stressing the business and me not knowing how we're going to make it. It was very close of me shutting down the restaurant.

Then I found Corporate Turnaround and Adam [REDACTED] and his team helped me figure out a weekly payment plan that was good for my company. Less than 2 years later, we stuck to the plan they designed for me and everything is TOTALLY PAID OFF and my restaurant is doing good thanks to Adam and Corporate Turnaround. They truly are miracle workers.

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Debts may increase until a resolution is reached. Consult with a licensed attorney regarding the applicability of bankruptcy. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers, and others may be resolved later on.
