Dear Adam,

I just wanted to take the time out to give this testimonial on behalf of Corporate Turnaround and Adam [REDACTED]. BranCore Technologies has had a great experience with Corporate Turnaround over the past 4 years. When I began this journey over 4 years ago, I didn't know anything about Corporate Turnaround when I was looking for a company to help guide us through our major debt situation. It took 4 years to get back to this point so you can imagine that we needed a highly qualified company to partner with.

I have to say that it has been a great experience with Adam [REDACTED] and Corporate Turnaround. Adam has been very professional and has been a true man of his word. I would recommend Corporate Turnaround to anyone that needs assistance with restructuring their debt. I was at a serious point with regards to the direction of my company 4 years ago. Today, I have to commend Adam [REDACTED] and Corporate Turnaround with guiding my back to the success I was on when I started the company 20 years ago.

I truly want to thank Corporate Turnaround and Adam for all of their assistance. This was a true partnership.

Sincerely,

[REDACTED]  
President  
BranCore Technologies

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers, and others may be resolved later on.
